***SW Kansas participants**, please contact SWPRSC at 800-728-1022 for registration and more details

Includes Early Elementary Workouts (by 0-5; 0-10; 0-20; 0-125; 0-500)
Reading, Writing Words & Numbers
Addition & Subtraction Facts
Multiplication & Division Facts
Counting Concepts
Spatial Patterns for Counting
Counting Money w/Properties
Sequencing & Counting
Combinations of 100's
Mental Math & Properties
Split & Solve
Group & Order
Zero Strategy
Short-Cut Division
Compensation
Telling Time
Multiply & Divide by 10, 100, 1000
Zero Strategy with Decimals
Group & Order Decimals
Multiply by #'s between 0 & 1
Absolute Value
Estimation
Place Value
<, >, = to Compare #'s
Divisibility Rules
Fractions, Decimals, Percents
Percent of Numbers
Reading, Fractions & Percents

Order of Operations
Exponents, Square & Cube Roots
Squaring 2-Digit # Short-Cut
Prime & Composite
Scientific Notation
Multiples & Factors
Lowest Terms
Common Denominators
Mixed & Improper Fractions
Compare Fractions
Estimate Fractions
Multiply & Divide Fractions
Ratios, Rates, Unit Rates
Proportions & Scale
Coordinate System
Transformations
Mean, Mode, Median, Range
Trends in Graphs (Line of Best Fit)
Misleading Graphs, Scale Changes
Simple Probability
Compound Probability
Independent Probability
Dependent Probability
Converting Probability & Odds
Measurement Facts
Sensible Measures
Customary Conversion
Metric Conversion
Perimeter, Area, Volume, S Area

Lines & Angles
Classify Triangles / Angles
Missing Angles
Complementary/Supplementary
Identify Polygons b6 Properties
Congruent & Similar
Corresponding Sides & Angles
Shapes & Formulas
Polyhedron Nets
Pythagorean Theorem
Pythagorean Triples
Adding & Subtraction Integers
Multiplying & Dividing Integers
Absolute Value
Combining Like Terms
Expressions, Substitution, Variables
1 & 2-Step Integer Equations
1 & 2-Step Whole # Equations
Simplifying Monomials
Multiplying Binomials
Distributive Property & Factoring
Distributive Property & Fractions
Factoring Polynomials
Nth Term Rule & Patterns
Identify Slope & y-Intercept
Std & Slope-Intercept Equations
Slope from 2 Points
Slope & Parallel Lines
Slope & Perpendicular Lines

MTSS - Literacy First - Marzano - Ruby Payne - Differentiated Instruction - Multiple Intelligences

----- REGISTRATION FORM -----

SELECT WORKSHOP DATE(S)

KC, July 19 Wichita, July 7 SW KS*, June 8-9
 KC, July 20-21 Wichita, July 27-28 *Register at 800-728-1022

PRICE OPTIONS

circle

A) 1-Day Workshop Only (no materials) CSM Online DEMO included for one Classroom	\$50
B) 2-Day Workshop Only (no materials) CSM Online DEMO included for one Classroom	\$80
C) Materials PLUS 1-day or 2-day Workshop (you get CSM Teacher Kit & CSM Online for Classroom) < 40 students = \$250, (e.g., self-contained classroom) > 40 students = \$350, (e.g., departmental classroom) (students of teacher have CSM Online at school & home) <i>Contact us for details at 316-207-4146</i>	\$250 or \$350

ATTENDEE INFORMATION (one form per attendee, please)

Name: _____
Email: _____
Phone: _____ District: _____
Building: _____ Level: _____

CLASSROOM TYPE

Regular Ed Remedial or Intervention Special Ed
 Other _____

PO # _____

TOTAL DUE: _____

Please include copy of PO or CC information
(PO's can be dated July 1st)
